THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

Directive Order Granting Application and Authority to Discontinue Provision of Certain Telecommunications Services and Related Features to Carrier Customers

SUBJECT:

DOCKET NO. 2022-163-C - Application of Fusion Cloud Services, LLC for Authority to Discontinue Provision of Certain Telecommunications Services and Related Features (See Also Docket No. ND-2022-23-C) - Staff Presents for Commission Consideration Fusion Cloud Services, LLC's Application for Authority to Discontinue Provision of Certain Telecommunications Services and Related Features.

COMMISSION ACTION:

I move the Commission grant the Application of Fusion Cloud Services, LLC (Fusion Cloud) and authorize Fusion Cloud to discontinue the provision of certain telecommunications services and related features which are offered to its wholesale customers so that Fusion Cloud may discontinue the services to carrier customers as planned on June 1, 2022 and on June 29, 2022. Remaining carrier customers may migrate to alternative services from Fusion Cloud or from other service providers.

Fusion Cloud provided notice earlier this year in March 2022 to its carrier customers, as well as made alternative service offerings. This service discontinuance of certain services to wholesale customers will not result in material harm to affected customers because they can obtain alternative services from Fusion Cloud or from other service providers, including wireless carriers or a host of other alternative providers such as interconnected voice over Internet protocol providers.
